

ERSATZREALITY × THYLORA

QUESTION DECK

50 Better Questions

A practical card deck for seeing what is true, what is missing, and what to do next.

A finished digital edition. Print it, mark it up, or use it on screen.

How to use it

Choose one real situation and one card. Answer from evidence. Complete the action before drawing another card. In a group, let every person answer before the loudest voice frames the room.

CARD 01 · REALITY

What do we know because we witnessed it—not because somebody reported it?

Look for: sources, behavior, dates, consequences, missing voices, or customer-visible proof.

Do: write one observation and one evidence-producing next move.

CARD 02 · REALITY

Which sentence is secretly an assumption?

Look for: sources, behavior, dates, consequences, missing voices, or customer-visible proof.
